

# What to do in BAD WEATHER

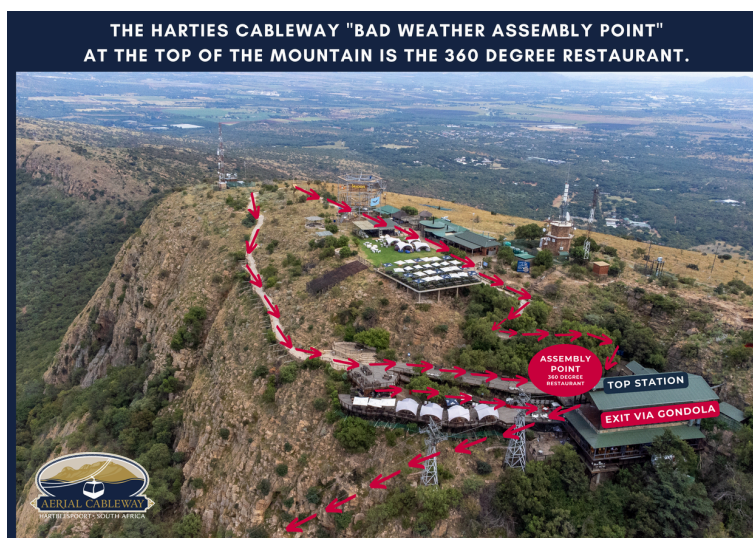

## BAD WEATHER EMERGENCY EVACUATION PROCEDURES:

THE WEATHER AT HARTIES AERIAL CABLEWAY IS UNPREDICTABLE AND CAN CHANGE WITHIN MINUTES. WHILE WE HAVE AN ADVANCED WEATHER WARNING SYSTEM, STORMS CAN SOMETIMES MOVE FASTER THAN ANTICIPATED. IF A STAFF MEMBER INFORMS YOU OF AN INCOMING STORM, IT IS CRUCIAL THAT YOU ACT QUICKLY AND FOLLOW THE EMERGENCY PROCEDURES OUTLINED BELOW:

- 1** PROCEED TO THE EMERGENCY ASSEMBLY POINT
  - Refer to the emergency assembly point image below to locate the designated area.
  - Staff members will be present to guide you.
- 2** FOLLOW STAFF INSTRUCTIONS FOR SAFETY
  - A staff member will direct you either to a covered safe area or to a gondola for evacuation.
  - Remain as calm as possible to ensure an orderly evacuation.
  - Keep your children with you at all times.
- 3** IN THE UNFORESEEN EVENT THAT THE GONDOLA STOPS
  - Stay seated and do not stand up or attempt to leave your seat.
  - Contact the emergency number 079 023 3012 for updates on the evacuation process.
  - Please note: Alcohol is strictly prohibited in the gondola.
- 4** IN THE EVENT OF AN EXTENDED STAY ON THE MOUNTAIN
  - If evacuation is not possible due to severe weather, Harties Cableway will provide food and non-alcoholic beverages to all patrons at no cost.
  - Alcohol will not be sold or distributed during an emergency evacuation.

## EMERGENCY ASSEMBLY POINTS

Refer to the image below for the designated emergency assembly locations

Your safety is our top priority. We appreciate your cooperation in following these procedures to ensure a smooth and safe response during adverse weather conditions.
